

2021 PRODUCT GUIDE

THERE'S NEVER BEEN A BETTER TIME TO BOAT

Boating is the perfect activity to bring family and friends together this summer. Malibu's proven blend of the best wakes and waves, world-class build quality, exceptional versatility and unsurpassed luxury come together in the form of 12 unique models to choose from. Your perfect boat (and your perfect summer) awaits!

BOATS MADE BY BOATERS

BUILDING & PERFECTING

Our story began in 1982 with six waterskiers set on creating the best towboats in the world. 39 years later a lot has changed, but our goal is still the same. At Malibu, producing the best-performing, most innovative, most versatile boats at the highest possible quality is our north star, and it always will be.

WE BUILD THE TECH OTHERS USE

OVER 20 OTHER COMPANIES USE OUR INNOVATIONS

Whether it's our hulls, towers or anything in between, Malibu is continually leading the industry forward. We do this to make sure you—our customers—have the most versatile, convenient, safe, and tech-forward boats on the water. Other companies have admired our innovations so much that they pay for their use, but the perfect combination of all these breakthroughs and proven craftsmanship is still only available on a Malibu.

PURPOSE BUILT

WARRANTY-BACKED QUALITY

Malibu produces nearly half of all towboats sold worldwide. The Malibu Family is growing every year thanks to our unmatched performance, proven innovations, award-winning dealer network and our industry-leading warranty to back it all up. Malibu produces the majority of our key components in-house, which means everything from your trailer to your Soft Grip flooring and even your engine shares the same quality and attention to detail that has made Malibu the global towboat leader.

We invite you to take a day on the lake with your local dealer to see why we say

THE TRUTH
IS ON THE WATER®

ULTIMATE VERSATILITY

A CHRONICLE OF CRAFTSMANSHIP AND INNOVATION

How do you take a company from an idea in a garage to the largest producer of inboard towboats in the world? Malibu has done it by continually innovating new technology born out of customer demand. From sport-specific hull options designed for customizing your Malibu's performance experience to easy transitions between watersports activities, every detail in the 2021 line has Malibu users in mind.

INTEGRATED SURF PLATFORM™ (I.S.P.)

SURF GATE - POWER WEDGE III - SURF BAND

Malibu's patented Surf Gate is the original (and still the best) way to create a perfect surf wave behind your boat at the touch of a button. From there, dial in the shape and height with Power Wedge III and control everything while you ride with Surf Band. Having the best wave couldn't be any easier.

MALIBU COMMAND CENTER™

SMART, SLEEK & INTUITIVE

Equipped with the intuitive mOS operating system, the Malibu Command Center is the brain of your boat. Ultra-bright, marine-grade touch screens display driving information and simple presets let you set up the entire boat with a single button. Connect your phone, control mood lighting, check in on your forward- and rear-facing cameras and much more—all in a system you'll master on day one.

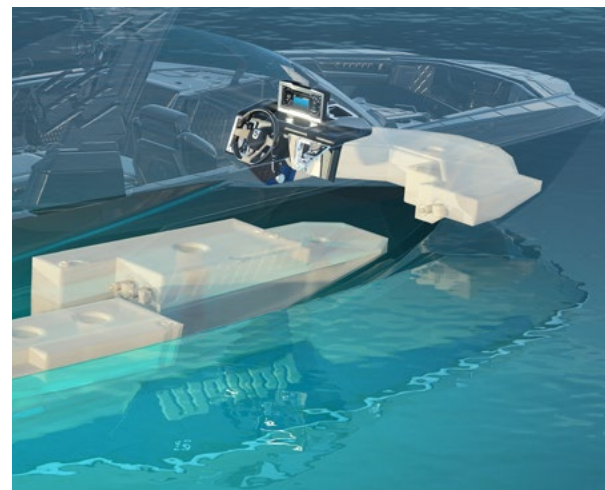

A: Our ultra-intuitive mOS command center puts all your boat's controls at your fingertips. **B:** See clearly with our weatherproof HD touch displays. **C:** Optional Sport Dash with Wireless Charging puts control and your phone within reach. **D:** Integrated Stern Turn gives any captain extra control at low speeds. **E:** Additional Qi wireless charging options ensure your whole crew stays topped off.

eMLS™ FAST FILL BALLAST

NO TIME WASTED

Hard tank ballast is customized to each model which means unlimited potential to dial in your perfect wake or wave. eMLS (electronic Malibu Launch System) automatically opens and closes the valves for precise control of tank levels and prevents siphoning which can drain a tank and take time away from your perfect day on the water.

150%
Faster Fill
Time

**ELECTRONIC
FAST FILL
BALLAST
SYSTEM***

The rear system is designed to integrate optional plug and play bags for the same Command Center control as the hard tank system and still fill in less than 4 minutes.

* Available on select models.

MALIBU MONSOON™ ENGINES

THE MOST ADVANCED INBOARD ENGINES ON THE PLANET

Built in our cutting-edge production facility, the Malibu Monsoon line of engines benefit from proven automotive technology along with a unique manifold and front-end assembly drive designs that allow these engines to deliver peak torque at optimal watersports RPMs for better fuel economy, lower emissions, and improved reliability. Thanks to their custom design for towboats, these are also the quietest engines on the market and they are only available on a Malibu.

POWERED BY
GM MARINE
ENGINE TECHNOLOGY

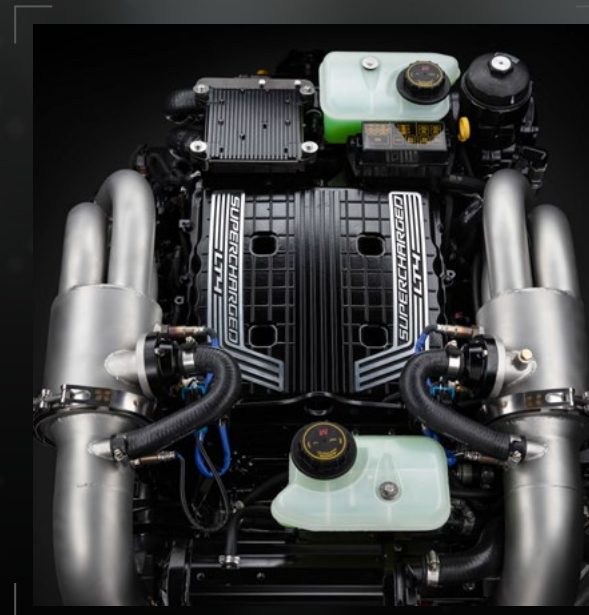

MALIBU MONSOON M5Di

5.3L DIRECT INJECTED

BOAT MODELS

FIVE LINES, 12 MODELS, ENDLESS CUSTOMIZATION

Whether you're after dawn-patrol slalom sets with a friend or mind-blowing surf waves with a stacked lineup, your perfect boat awaits! Choose from progressive pickle-fork bows that maximize forward seating and sleek traditional bows that feature cab forward designs for more social room in the cockpit. With all of Malibu's patented innovations and next-level luxury at your disposal, your fun is only limited to the number of daylight hours.

LX SERIES

PERFORMANCE MEETS VALUE

Big wake and wave performance and exceptional value are what the LX Series is all about. A clean, simple combination of Malibu amenities in a 21-foot picklefork 21 MLX or traditional bow 21 VLX make the LX Series one of the most popular and economical ways into the hallowed Malibu Wakesetter family.

A: The ergonomic, extra luxury command center and helm. **B:** Rear seating with pop-up ski pylon **C:** Loaded with speakers, cup holders, and all the modern amenities.

LX SERIES

M-SERIES

21 VLX 21' | 13 Capacity | Max Ballast: 3,690lbs | Hull Type: Wake Plus / Cut Diamond | Torque: 400-460ft-lbs | Weight : 4,200lbs

21 MLX 21' | 14 Capacity | Max Ballast: 3,950lbs | Hull Type: Wake Plus | Torque: 400-460ft-lbs | Weight : 4,500lbs

INDUSTRY-LEADING INNOVATIONS

Versatility and convenience are the hallmarks of the LX Series, so we designed technology that allows you to surf, wakeboard and ski with just a touch of a button.

21 MLX Bow: The 21 MLX spacious picklefork bow. The 21 VLX is a traditional bow for that timeless design.

Surf Gate: What changed the world of wakesurfing forever.

G5 Tower: All-New for 2021 is the lower folding G5 Tower.

More Storage: Designed to maximize storage and seating.

MXZ SERIES

BIG BOWS WITH MAXIMIZED LUXURY & MAXIMIZED PERFORMANCE

The MXZ series combines the same legendary wakes and waves Malibu is known for with a progressive picklefork bow that adds extra forward space without sacrificing on maneuverability. With two different lengths and all of Malibu's technology fused with luxury, it's clear why so many find the MXZ as their perfect boat.

A: Bold. Smart. Deluxe. The captain is king. **B:** The Supercharged Malibu Monsoon LT4 Engine. **C:** Maximized seating with the Multi-View Wake Bench Seat.

23 MXZ 23' | 16 Capacity | Max Ballast: 4,670lbs | Hull Type: Wake Plus | Torque: 400-606ft-lbs | Weight : 5,400lbs

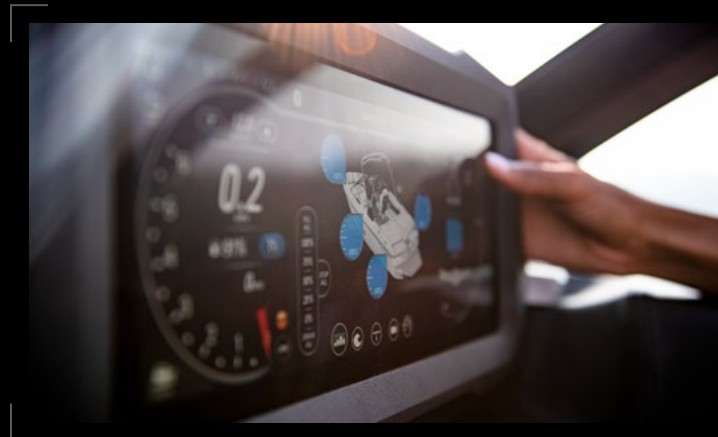

24 MXZ 24' 5" | 17 Capacity | Max Ballast: 4,885lbs | Hull Type: Wake Plus | Torque: 460-606ft-lbs | Weight : 6,000lbs

INDUSTRY-LEADING INNOVATIONS

MXZ stands for MAXIMIZED, and that is just what Malibu created- a boat maximized with performance, technology, space and comfort all in one.

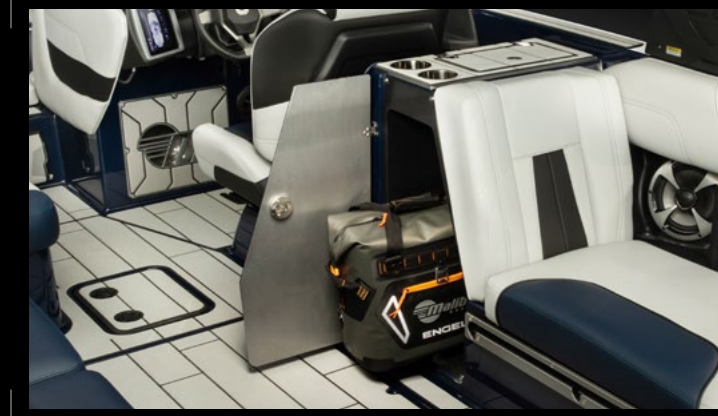

Gx Tower Mister: The Gx Tower Mister will keep everyone cool with the touch of a button.

eMLS: The eMLS fast-fill ballast gets you behind the boat faster with 150% faster fill times.

Extended Awning: Everyone has it made in the shade with the Extended Awning available on the 24 MXZ.

24 MXZ Cooler Locker: The 24 MXZ features a new starboard cooler locker and optional Malibu branded Engel Soft Cooler.

LSV SERIES

THE WORLD'S BEST-SELLING TRADITIONAL BOW TOWBOATS

The LSVs are built off the storied foundation of the best-selling towboat in the world, the legendary 23 LSV. Combining classic traditional-bow looks with clean, perfectly-formed wakes, ultimate versatility without sacrificing on luxury, the LSV series is the ultimate versatility and luxury in the perfect package.

A: The Multi-View Bench Seat with up to 8 different positions. **B:** Luxury cool-touch vinyl featuring all modern amenities. **C:** Re-arrange your cockpit for ultimate relaxation while anchored.

25 LSV | 25' | 18 Capacity | Max Ballast: 4,810lbs | Hull Type: Wake Plus | Torque: 460-606ft-lbs | Weight : 5,600lbs

23 LSV 23' | 15 Capacity | Max Ballast: 4,250lbs | Hull Type: Wake Plus / Diamond | Torque: 400-606ft-lbs | Weight : 5,200lbs

22 LSV 21' 11" | 14 Capacity | Max Ballast: 4,170lbs | Hull Type: Wake Plus / Diamond | Torque: 400-460ft-lbs | Weight : 4,900lbs

INDUSTRY-LEADING INNOVATIONS

The legendary LSV Series is where luxury meets performance. All three boats in the series feature the user-centric tech and unbelievable wake-making innovations.

Stern Turn: Stern Turn makes it easier than ever to maneuver your boat.

Transom Walkover: The all-new 23 LSV features a transom walk-over.

Flip-Down Swim Step: Enter and return in the boat with the Flip-Down Swim Step.

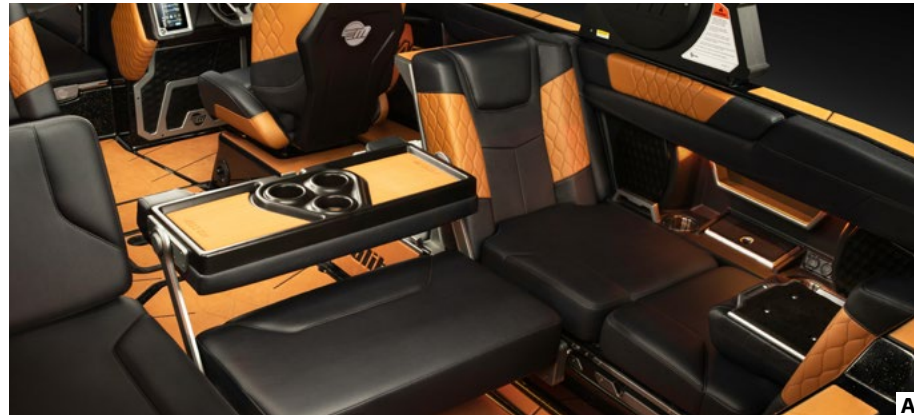

Multi-View Bench and Wakeview Seat: Customize your interior with 2 Wakeview pop up seats with a built-in table for the perfect day on the water.

M-SERIES

THE FLAGSHIP OF THE ICONIC MALIBU BRAND

The current generation M-Series started with the now-iconic Malibu M240, the flagship luxury wake boat that brought all of Malibu's innovations into one trendsetting package. It was so popular that a new size class became necessary, and the all-new M220 was introduced for 2021.

A: Transform your boat with the Multi-View Bench Seat with multiple configurations including a built in table. **B:** An elevated driving experience with the plush, ergonomic M-Line Dash with vented windshield. **C:** Unique to the M-Series, the Natalie Seat doubles as a wind block door and center seat back giving you a full 360 degrees of bow seating.

M240 24' | 17 Capacity | Max Ballast: 4,700lbs | Hull Type: M-Line | Torque: 460-606ft-lbs | Weight : 7,500lbs

M220 22' 5" | 15 Capacity | Max Ballast: 5,160lbs | Hull Type: M-Line | Torque: 400-606ft-lbs | Weight : 6,200lbs

INDUSTRY-LEADING INNOVATIONS

Luxury boats like no other, the M220 and M240 feature the upscale M-Series style and functionality with exclusive features and innovations that you can't find anywhere else.

Surf Gate Fusion: An M240 exclusive, Surf Gate Fusion is integrated directly into the hull.

M-Series Command Center: Housed in more luxury is the ultimate M-Line dash.

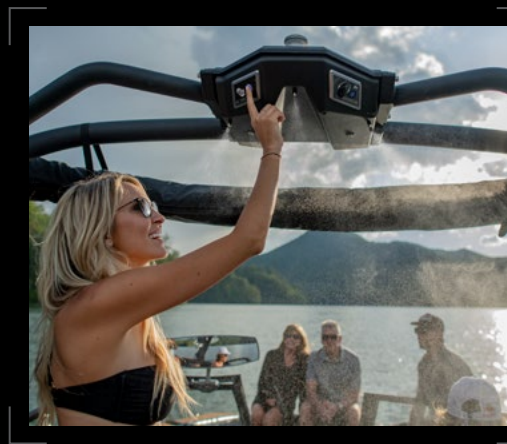

Core Edition Comand Center: The M220 offers our core wakesetter dash giving you 2 dash options.

Sliding Cooler: An M240 exclusive, the accessible sliding cooler.

Speakers: Beautifully accented by automotive-style speaker grills elevates the surround sound.

Gx Tower Mister: The next level Gx Tower Mistors cools everyone off.
