THE TRUTH IS ON THE WATER

Ready to make some unforgettable memories? You're in the right place. Malibu has been the best-selling wakeboat brand in the world for the last 18 years because we focus on maximizing your time on the water. From award-winning innovations to class-leading luxury to iconic performance, Malibu has it all. And after 40 years of making the best watersports boats on the planet, our goal remains the same: We build boats that help our Malibu family of customers connect with their families on the water.

AWARD-WINNING

INDUSTRY LEADING INNOVATIONS

UNMATCHED VERSATILITY

UNCOMPROMISING QUALITY

THE MALIBU PEDIGREE

It starts with a rock-solid foundation of perfect waves in any conditions, and it continues with a commitment to reliability and quality that's unmatched. Wrap this all in a package that's loaded with luxury and style, and you begin to see why so many people will settle for nothing less than a Malibu. Top it off with convenience and innovations, and it's clear why Malibu is number 1—and has been for so long.

23 LSV
WAKESURF & WAKEBOARD
BOAT OF THE YEAR
VOTED BY YOU!

Malibu Wins Three Years in a Row!

BUILD YOUR PERFECT WAVE & WAKE

SURF GATE[®], POWER WEDGE[®] III, & SURF BAND[®]

Malibu's legendary surf wave starts with Surf Gate, our patented design of making a perfect wave on either side of the boat with the push of a button. From there, you can customize the wave with Power Wedge III to make it steeper for airs or longer for big bottom turns and endless spins—all while retaining Malibu's coveted, ocean-style wave. You can even control it all while you ride using Surf Band, Malibu's industry-leading wristband that allows you to adjust your wave and transfer from side to side, opening up a whole new realm of tricks.

THE CAPTAIN IS IN CONTROL

MALIBU COMMAND CENTER

The Malibu Command Center places all your boat's innovations into a convenient, intuitive, and stylish package. Quickly transition to a new sport, dial in the mood lighting, set your summer soundtrack, and much more through high-visibility touch screens. With the Malibu Command Center, your boat does the heavy lifting so you can sit back and enjoy the plush helm seat—because your focus should be on making memories, not filling ballast bags.

A: The 12" center touch screen does all the heavy lifting. Powered by the Malibu operating system (mOS), this high-visibility touch screen is your source for all the boat's main functions. **B:** The secondary touch screen allows you to dive deep into settings to customize the boat to your family's personality. **C:** The Sport Dash™ rotary knob keeps your watersports touch pad controls close at hand. **D:** Multiple wireless charging stations located throughout the boat provide all your passengers with power on the go.

THE PROOF IS IN THE PATENTS

WHERE WE GO, OTHERS FOLLOW

By continually pouring time and resources into improving your day on the water, Malibu has amassed some of the most valuable patents in the watersports industry. This has led to over 20 companies licensing our technology in various ways, and while we're certainly flattered by all this attention, that perfect harmony of technology, innovation, performance and luxury integrates best in a Malibu.

BUILT-IN BALLAST

THE PERFECT SETUP, EVERY TIME

Where other boats require a lot of time and effort to get a decent wake, Malibu makes you look like a genius every time thanks to watersports presets in the Malibu Command Center. Your preset corresponds to perfect ballast levels for your sport, which can then be tweaked if you want to go in depth.

ELECTRONIC FAST FILL BALLAST SYSTEM

150% Faster Fill Time*

The rear system is designed to integrate optional Plug 'n' Play bags for the same Command Center control as the hard tank system and still fill in less than 4 minutes.

* Available on select models. 26 LSV shown with 5 hard tank ballast tanks.

AS UNIQUE AS YOU

UNMATCHED VERSATILITY

If your family likes to go from slalom skiing to surfing to wakeboarding to dinner—in whatever order works for you that day—you can make it happen quickly and easily with Malibu's innovations. Because flexibility is key to a great day and your boat should accommodate you, not the other way around.

BOAT WITH CONFIDENCE

NO COMPROMISES

What's the best kind of warranty? The one you don't need. One of Malibu's hallmarks is an unwavering commitment to reliability in all its components, from ballast pumps to towers to our award-winning hulls and much more. Your investment is secure with us.

MALIBU MONSOON™ ENGINES

THE BEST OF THE BEST

An engine needs to check a lot of boxes, which is why our made-in-house line of engines is quiet, efficient and reliable—oh, and did we mention the class-leading torque? Leaning on direct injection automotive technology fused with signature Malibu innovations, the industry-leading Monsoon line is exclusive to Malibu.

CROSSOVER & SKI SERIES

WATERSKI, WAKESURF AND WAKEBOARD ALL DAY

Whether you're the early-morning, diehard buoy head in search of the next personal best or a casual open water skier, the Response TXi will give you a smooth, consistent, powerful pull—set after set. For those who enjoy an afternoon surf or wakeboard session just as much as a waterski pass, the Wakesetter VTX more than meets the challenge. This 20-foot watersports powerhouse can transition quickly from one sport to the next, and it's compact enough for standard garages.

A: Choose the contemporary open-bow model to take along up to seven people and enjoy an unforgettable day on the water. **B:** Room for your crew to stretch out and ample storage for all your gear. **C:** Command Center with Malibu OS™. Featuring a screen to the left controlling speed and direction.

RESPONSE TXi 20' 6" | Capacity: Open Bow 7
Closed Bow 5 | Hull Type: T Cut Diamond | Torque: 400-460ft-lbs | Weight : 3,100lbs

20 VTX 20' | 11 Capacity | Max Ballast: 3,585lbs | Hull Type: Cut Diamond | Torque: 400-460ft-lbs | Weight : 3,950lbs

FEATURES & INNOVATIONS

The Response TXi's soft wakes and rock-solid tracking have earned it 13 world records, and the do-it-all versatility of the VTX has earned it a spot in the hearts of families around the world. Each is in a class of its own.

Ski Storage: Designed for you, the TXi has multiple ski storage areas.

Malibu Monsoon Engine: The M5Di and M6Di were designed to deliver the most reliable and durable power on the water.

Center Pylon: The 20 VTX features an industry-exclusive removable center ski pylon.

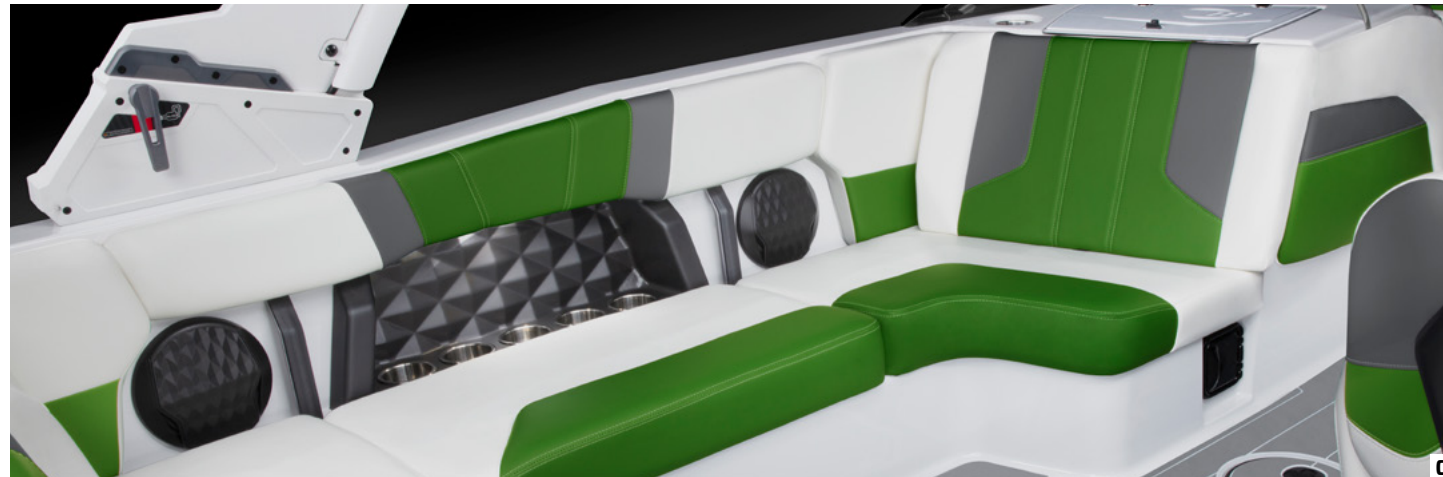

Malibu Cut Diamond Hull: 20 VTX has a unique tournament-approved hull so you get pro-level slalom wakes every time.

WAKESETTER 21 LX

PERFORMANCE MEETS VALUE

Where the style of a traditional bow and the roominess of a pickle fork bow meet, you'll find the 21 LX. It has the luxury and performance of a Wakesetter at an unbelievable LX-series value. You owe it to yourself to see what the 21 LX can do.

A: The ergonomic, extra luxury command center and helm. **B:** With seating for up to 12 people, there's room for all your friends and gear. **C:** Cup holders and speakers are perfectly placed for optimal comfort while lounging.

21 LX

21' | 12 Capacity | Max Ballast: 3,485lbs | Hull Type: Wake Plus | Torque: 400-460ft-lbs | Weight : 4,580lbs

21 LX FEATURES & INNOVATIONS

Put all of Malibu's world-class performance innovations to work on the 21 LX and you end up with a 21-foot wake and surf boat others can only dream of, all with a clean interior design and the Wakesetter pedigree.

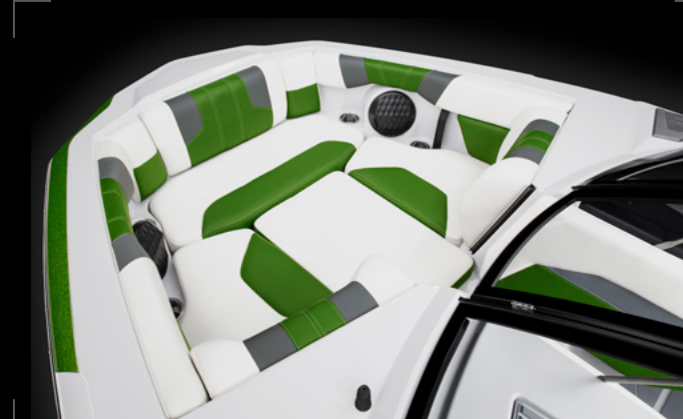

21 LX Storage: Designed by boaters, the 21 LX has deep storage for all your boards and boating gear.

Plush Seating: Luxurious and durable vinyl lets you and your crew relax with plentiful seating in the wrap around lounge.

Pop-Up Ski Pylon: Seamlessly integrated, the pop-up ski pylon gives you even more watersports options and it's recessed when you don't need it.

Hybrid Bow: The hybrid bow cuts smoothly through the water while creating additional seating for your crew.

WAKESETTER MXZ SERIES

SPACIOUS BOWS, MAXIMIZED FUN

The biggest bows in the Malibu line translate into maximized fun and watersports performance in the MXZs. Featuring the Wake Plus Hull for world-class wakes and waves along with precise handling thanks to Malibu engineering, the MXZs have nothing that even resembles a weakness.

A: Available Engel® soft cooler designed to fit perfectly in the 24 MXZ storage locker. **B:** The MXZ line-up features the largest bows. **C:** The Malibu Multi-View Wake Bench™ transforms quickly and easily for the perfect snack spot.

23 MXZ 23' | 16 Capacity | Max Ballast: 4,670lbs | Hull Type: Wake Plus | Torque: 400-606ft-lbs | Weight : 5,400lbs

24 MXZ 24' 5" | 17 Capacity | Max Ballast: 4,885lbs | Hull Type: Wake Plus | Torque: 460-606ft-lbs | Weight : 6,000lbs

MXZ SERIES FEATURES & INNOVATIONS

Pro-level performance meets convenience in the MXZ series with a host of features designed solely to improve your time on the boat.

Award-Winning Gx Tower Mister: The Gx Tower Mister will keep everyone cool with the touch of a button.

eMLS with Command Center: The eMLS fast-fill ballast gets you behind the boat faster with 150% faster fill times.

Extended Awning: Everyone has it made in the shade with the Extended Awning available on the 24 MXZ, 25 LSV, 26 LSV & M240.

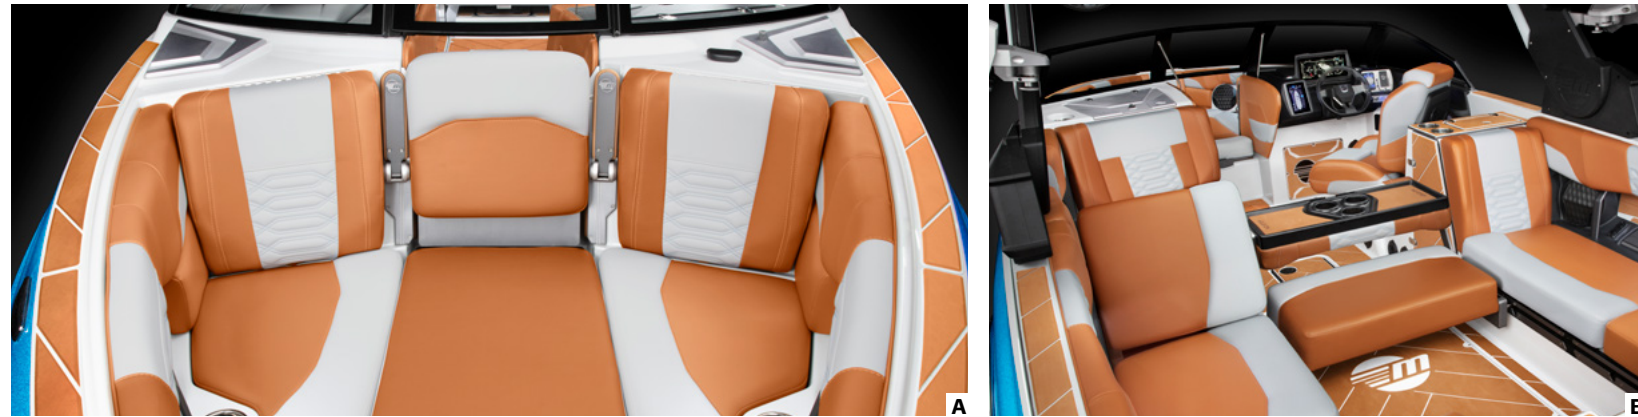

24 MXZ Cooler Locker: The 24 MXZ features a new starboard cooler locker and optional Malibu branded Engel® Soft Cooler.

WAKESETTER LSV SERIES

LEGENDARY PERFORMANCE, ICONIC STYLE

The LSV series takes all its cues from the best-selling wakeboat of all time, the 23 LSV. The LSV series marries classic pointed bows that cut through the chop and present a striking profile with celebrated Malibu Wakesetter performance and luxury. The LSV series is popular for a reason.

A: The Natalie Seat doubles as a back rest and pop-up wind block. **B:** Multi-View Wakeview Bench: Customize your interior with rear facing seats and a built-in table for the perfect day on the water. **C:** A fully customizable lounge is complete with Wakeview seating, phone holders and plenty of cup holders.

26 LSV | 26' 5" | 18 Capacity | Max Ballast: 6,100lbs | Hull Type: Wake Plus | Torque: 606ft-lbs | Weight : 7,000lbs

25 LSV | 25' | 18 Capacity | Max Ballast: 5,180lbs | Hull Type: Wake Plus | Torque: 460-606ft-lbs | Weight : 6,175lbs

LSV SERIES FEATURES & INNOVATIONS

With four different sizes, the LSV series can fit any family. From the compact and versatile 22 LSV to the largest boat Malibu has ever made—the 26 LSV—there is a perfectly-sized LSV waiting to make your summer the best ever.

Powered Flip-Down Swim Step: Enter and return easier than ever with the push of a button.

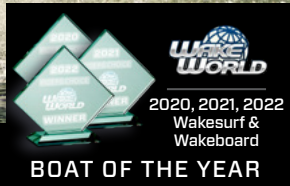

Docking & Transom Camera: With improved resolution, check your surroundings and record videos and photos from the camera to save to your phone.

Multiple Wireless Charging Stations For The 26 LSV: Provides eight different stations for charging you and your guests phone.

All-New 26 LSV Max-Pivot Seat™: Offering multiple lounging positions with upgrades to cool touch vinyl, your crew will have even more relaxing days on the water.

23 LSV | 23' | 16 Capacity | Max Ballast: 4,250lbs | Hull Type: Wake Plus / Diamond | Torque: 400-606ft-lbs | Weight : 5,200lbs

22 LSV | 21' 11" | 14 Capacity | Max Ballast: 4,000lbs | Hull Type: Wake Plus / Diamond | Torque: 400-460ft-lbs | Weight : 5,100lbs

LSV SERIES FEATURES & INNOVATIONS

You can't go wrong with an LSV. Each boat has the performance characteristics and innovation that have made the 23 LSV the best-selling wakeboat of all time combined with trend-setting Wakesetter luxury.

Multi-View Wakeview Bench: Customize your interior with two Wakeview pop-up seats and a built-in table for the perfect day on the water.

Command Center Phone Holder & Charger: Upgrade your LSV's Command Center to include wireless charging to help your crew stay connected all day long.

New Interior Storage Options: Throughout the bow and lounge area, the LSV series is equipped with spacious hinged storage compartments, discreet cupholders, and phone holders with optional wireless charging.

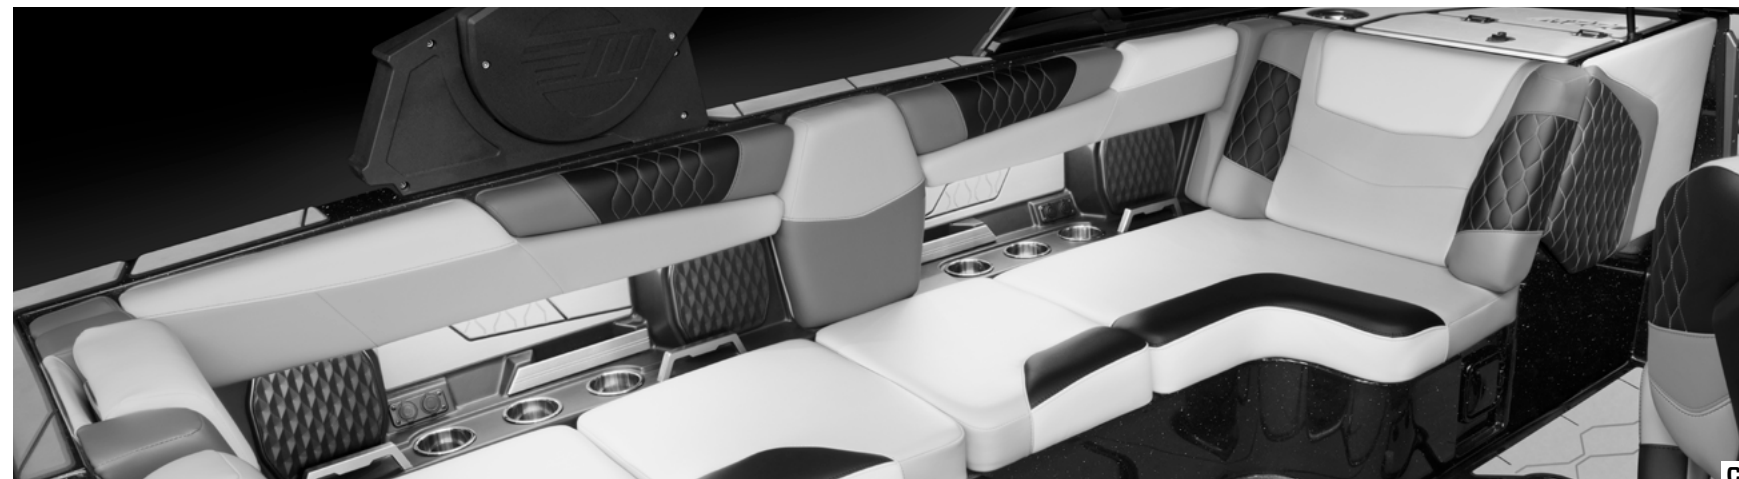

Malibu Branded Engel® Soft Cooler Storage: The available Engel® soft cooler is designed to fit perfectly in your lounge storage while still leaving room for your crew's gear.

M-SERIES

THE PINNACLE OF STYLE AND PERFORMANCE

As the undisputed alphas of the Malibu line, the M-Series features the signature Malibu performance with enhanced innovations and all the luxurious amenities you would expect from the best-selling wakeboat company's flagships. Add to that every ounce of Malibu's considerable arsenal of technology and convenience innovations and you've got the unsurpassed leaders of the watersports world.

A: Spacious cockpit layout offers a multitude of seating options including full rear facing seats to watch the show. **B:** The Malibu Command Center features wireless charging, windshield vents, a power seat and much more. **C:** Everyone on the M240 will enjoy plush seating, ample cup holders and wireless charging.

M240 24' | 17 Capacity | Max Ballast: 4,700lbs | Hull Type: M-Line | Torque: 606ft-lbs | Weight : 7,500lbs

M240 FEATURES & INNOVATIONS

With more standard features than any other Malibu wakeboat, you might say the M240 is the most complete watersports boat on the planet. Equal parts luxury, performance and innovation, the M240 is the flagship of flagships, and the stacked feature list below is just barely scratching the surface.

Powered Flip-Down Swim Step: Enter and return easier than ever with the push of a button.

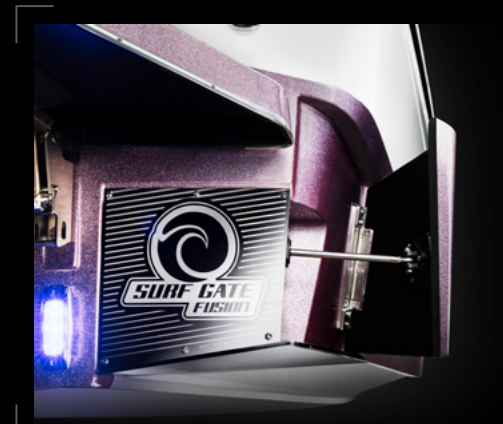

Record On The Go: With improved clarity, you can check your surroundings or record the rider.

Gx Tower Mister: The award-winning Gx Tower Mistlers cool everyone off.

Malibu Yeti® Slide Out Cooler: Topped with Soft Grip, this premium cooler is tucked away for maximized storage, but easily accessible by your whole crew.

Surf Gate Fusion™: Award-Winning and exclusive to the M240 and integrated directly into the M-Line Hull.

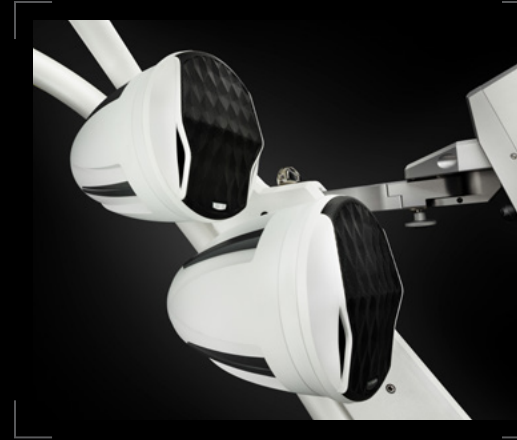

Stern Turn: Easy docking and maneuvering for boaters of any level without taking your hand off the throttle.

M220 22' 5" | 15 Capacity | Max Ballast: 5,160lbs | Hull Type: M-Line | Torque: 460-606ft-lbs | Weight : 6,200lbs

M220 FEATURES & INNOVATIONS

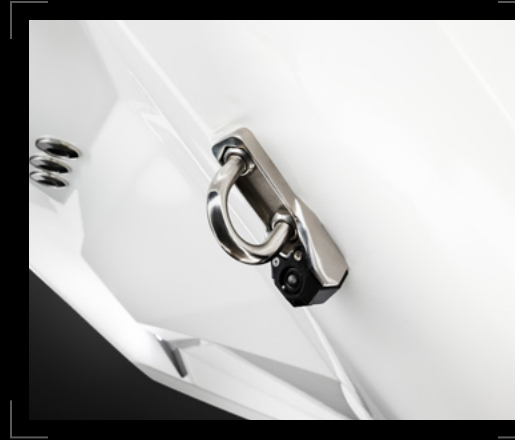

The M220 takes upscale to a whole new level. Borrowing many of the M240's industry-changing innovations, this mid-size luxury watersports boat is as comfortable as it is capable.

Premium Sound: Features an exclusive, premium M-Line Series Wet Sounds® Stereo System.

Powered Flip-Down Swim Step: Enter and return easier than ever with the push of a button.

Clear Docking Cameras: With improved visibility, you can dock or trailer your boat easier than ever.

Malibu mOS Command Center: Customize your on-the-water experience by adjusting the stereo and interior lights, operating the heater, and customizing your screen display.

Premium Interior: Accented with automotive-style speaker grilles, the M220 elevates your lifestyle.

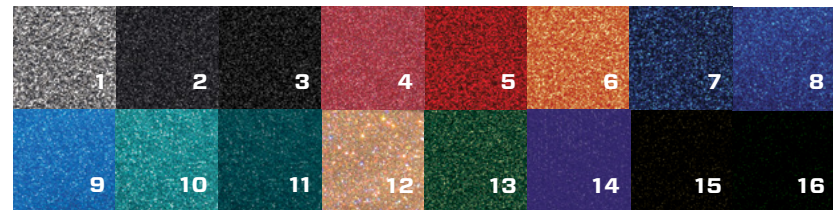

Integrated Stern Turn Throttle : Control Stern Turn with ease right at your fingertips.
